RE: Designated Alternate Nomination

Dear ^{John} Mr. Grant:

With the change of date of our next Region F meeting from October to November I will be unable to attend due to a previous commitment. To complicate matters I do not currently have a designated alternate since Allan Lange retired and had planned on submitting a nomination at this meeting. Please accept the attached nomination form for Rhetta Yanez to be my designated alternate.

She has been with the Glasscock GCD for six years as Administrative Assistant. She served as interim manager when the previous manager left. During that time she guided the district through passing a state GCD audit and submitted their revised management plan for re-adoption. When Ken Carver was hired as manager she reverted back to Administrative Assistant but has continued to attend GMA 7, Region F, West Texas Regional Groundwater Association and Texas Alliance of Groundwater Districts meetings. By attending these meetings she is familiar with the process and what has been presented for the current round of planning.

Since I cannot be there I would appreciate your help in having her nominated and accepted as my designated alternate for the GMA 7 representative.

Sincerely,

A handwritten signature in blue ink that reads "Scott Holland".
