

## **Agenda Item 11. Consideration and adoption of the revised list of the Major Water Providers**

Region F originally adopted a list of six Major Water Providers for Region F based on the provider supplying or planning to supply at least 10,000 acre-feet per year. Fort Stockton recently cancelled their contractual obligation to WaterBridge and no longer reaches this threshold. This agenda item will consider adoption of the revised list of the Major Water Providers.

### **Previously Adopted Major Water Providers:**

- Brown County Water Improvement District
- Colorado River Municipal Water District
- Fort Stockton
- Midland
- Odessa
- San Angelo

### **Proposed Major Water Providers:**

- Brown County Water Improvement District
- Colorado River Municipal Water District
- Midland
- Odessa
- San Angelo
