

Agenda Item 12a. Consider adoption of 2021 Region F IPP, allowing the consultant to make minor revisions if needed prior to submittal to the TWDB by March 3, 2020

After review and comment of the IPP under the previous agenda item, the planning group will consider adoption of the IPP and authorize submittal to TWDB by the March 3, 2020 deadline. This item will include authorization of the consultant to make revisions the RWPG may have requested in the previous agenda item or make minor corrections prior to the submittal, if needed.
