

Agenda Item 6. Consideration and adoption of the Final 2021 Region F Water Plan

6a. Consider adoption of the 2021 Region F Regional Water Plan with authorization of the Region F Executive Committee to make non-substantial edits and CRMWD to submit the final plan to the TWDB.

6b. Consider approval of the final project prioritization list and authorize CRMWD to submit the prioritization list to the TWDB.

The RWPG will be asked to consider approval of the final plan and the project prioritization list. This agenda item includes provisions for the Executive Committee to approve non-substantial edits and authorizes CRMWD to submit the Final plan and prioritization list to the TWDB.
