

Agenda Item 7. Regional Water Plan Schedule Update

The Region F Initially Prepared Plan (IPP) must be submitted by the regional planning group to the TWDB by March 3, 2020. There are multiple key dates for the Region F planning group to be cognizant of over the next few months.

The Region F consultant team will provide an update of the 2021 Region F Water Plan schedule, including key dates between now and the submittal deadline of the Final Region F Water Plan.
